

Primary Student Community Agreement

(SCEA Student Code of Conduct)

As a Christian learning community, we hold that all people have the right to be treated with love, kindness, and respect, for all are created equal, made in the image of God (Genesis 1:26-27). We take seriously Christ's call to love God, love our neighbours as ourselves, and to do to others what we would have them do to us (Matthew 7:12 & 27: 37 – 40).

These beliefs shape the culture of Mundaring Christian College with the implicit high standards and expectations of all its students, their attitudes, learning, behaviour and interactions with others.

The SCEA Student Community Agreement (Code of Conduct) clearly outlines the rights and responsibilities of each student as valued members of the learning community with respect to their academic and personal conduct. All students are expected and encouraged to strive towards consistently upholding this Agreement and can expect to be commended for abiding by it and held accountable for any actions that breach it.
