

18 November 2024

Dear Parents/Guardians,

As part of our ongoing commitment to provide an economical and effective service to parents, I would like to inform you of some changes regarding the 2025 booklists which have been carefully refined to meet the needs of our teaching programs.

**Pre-kindy to Year 3 classes.**

A resource levy will be charged as part of your school fees, that will cover the costs of educational resources and stationary requirements. Therefore, no booklist of additional items are required.

**Years 4-6**

Booklists are required for students in Year 4 – 6. These are located on the Parent Portal with access through [Parent Lounge](#) and [Parent Orbit App](#) under the School Links tab. Please see below for further information and instructions regarding the ordering process.

Our commitment to providing a high-quality education remains unwavering. If you have questions or would like further information, please do not hesitate to contact us.

Sincerely,

Mrs Jacqui Wilmot  
Head of Primary
